University of Hyderabad
Hyderabad

Venue: Seminar Hall, CSE Building, Telangana
University, Dichpally, Nizamabad

Workshop on CHOICE BASED CREDIT SYSTEM (CBCS) –

Pattern and Evaluation

(5th November, 2016)

Sponsored by

TSCHE, Hyderabad

Organized by

Accredited with 'B' Grade by NAAC

**Telangana University
Dichpally, Nizamabad
Telangana - 503322**

About the Workshop:

The Choice Based Credit System (CBCS) enables a student to obtain a degree by accumulating required number of credits prescribed for that degree. The number of credits earned by the student reflects the knowledge or skill acquired him / her. Each course is assigned with a fixed number of credits based on the contents to be learned. The student also has choice in selecting courses out of those offered by various departments. The grade points earned for each course reflects the student's proficiency in that course. The University Grants Commission (UGC) has initiated several measures to bring equity, efficiency and excellence in the Higher Education System of country. The important measures taken to enhance academic standards and quality in higher education include innovation and improvements in curriculum, teaching-learning process, examination and evaluation systems, besides governance and other matters.

Choice Based Credit System was essentially aimed at infusing Quality and Excellence in the education system by giving freedom to institutions, leaderships and statutory bodies to formulate courses that would fall under Core, Elective and Discipline-centric categories. Every academic institution would have an opportunity to develop its brand equity.

The proposed one day workshop on CBCS – Pattern and Evaluation will better help the Principals, Stakeholders, and College Management of affiliated colleges working under jurisdiction of Telangana University about CBCS and its implementation.

About the University:

Telangana University is a unique institution established by the Government of Andhra Pradesh through the Act Number 28 of 2006 at Nizamabad which is dedicated towards upliftment of students from rural and backward regions. The University has since grown by leaps and bounds – establishing excellent infrastructure replete with state-of-art laboratories, digital library, smart class rooms, hostels, and out-door stadiums spread over an impeccably clean and green 577 acre campus (Main campus, Dichpally). The University Main Campus is located 15 Km away from the district head quarters of Nizamabad and is 150 Km away from Hyderabad with two more campuses, one at Bhiknour (South Campus, 44 acres) and other at Sarangapur (College of Education, 60 acres).

The University, at present is offering 25 courses where 1350 students are pursuing their studies in postgraduate and PhD programs. The University has uninterrupted power supply (dedicated line) and Wi-Fi facility. The Telangana University is the first new university in Telangana State to get the 12(B) recognition from the UGC, New Delhi. Also, the National Assessment and Accreditation council (NAAC) has accredited the university with B grade (2.61).

In the recent past, the university teachers have received several grants from UGC New Delhi towards research and few of the faculty members have been awarded prestigious international awards viz., Raman Postdoctoral and ICMR Fellowships tenable abroad.

Workshop on CHOICE BASED CREDIT SYSTEM (CBCS) – Pattern and Evaluation (5th November, 2016)
